# Easy Pattern

Start crocheting with circle formation - a magic ring (amigurumi ring)  
(Pic. 1, 2, 3).

Insert the hook into the ring, take the working yarn thread and pull it into the loop on the hook. The loop is fixed on the ring (Pic. 4, 5, 6, 7).

Work 2 chain stitches (Pic. 8). Then, cast 14 DC and tighten the ring ( Pic. 9-15).

Join into the 1st loop (Pic. 16, 17) and work 6 chain stitches (Pic. 18, 19).

Work single crochet into the 3rd loop next to the hook (Pic. 20, 21, 22).

Work slip stitch into the next loop. (Pic. 23, 24, 25, 26).

Next step: work single crochet. (Pic. 27, 28, 29, 30).

Work 2 double crochet into the last stitch (Pic. 31, 32, 33, 34).

Skip 2 stitches on the ring and join (Pic. 35, 36, 37, 38).

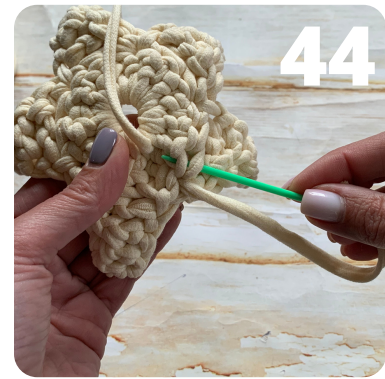

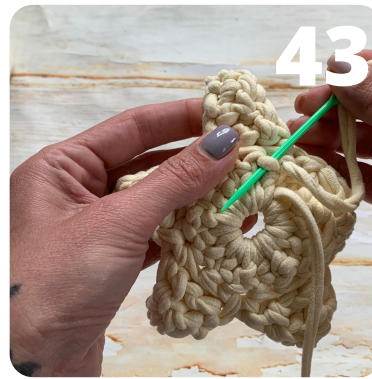

Work all 5 beams of the star in the same way (Pic. 39, 40).

Cut the thread and hide the tail with the help of a plastic needle at the end.  
(Pic. 41, 42, 43, 44).

You can use jute thread to decorate the garland.
